Full Frame Felt Strips

Protect Box Spring Encasements from Wear and Tear

Mattress Safe® introduces full frame protection for your box spring encasement. The new bed frame poly felt strip provides protection from rubbing and tearing of the box spring encasement against the bed frame. This added protection will extend the life of your box spring encasement and ensure your encasement functions correctly. The poly felt strip is backed with pressure-sensitive adhesive for easy application. Available in rolls 100 feet in length by 3 inches wide, this new addition to the Mattress Safe® family will help you win the fight against bed bugs.
