2017 TRELONA SPRING OFFER PROGRAM QUALIFICATIONS AND DETAILS: All purchases must be made by March 31, 2017 in order to be eligible for the 2017 Trelona ATBS Spring Offer. The qualified end user must purchase a total of at least \$2,000 of eligible Termite Baiting Products to qualify. Qualifying purchase must be made from one authorized BASF agent of their choice. With qualifying purchase, qualified end user will earn a one-time credit of \$100 at their agent that can be used towards the purchase of additional BASF products at a later date. Product must be purchased, invoiced, and delivered between the program dates NO EXCEPTIONS. Qualified end user will receive an agency earned credit on the total invoiced dollar amount (excluding sales tax) of qualified products purchased from an authorized BASF PCS agent. All incentives will appear as a credit on the end user's account with the agent who processes the order.

 **BASF**
We create chemistry

With more than 10 years of termite protection, the **Advance** Termite Bait System is trusted by PMPs and homeowners alike. And now, **Trelona ATBS** adds the power of the active ingredient novaluron. Buy now and earn a \$100 credit.

Program applies only to qualified professionals (Pest Management Companies, Government, and State Municipalities). No additional end user earned credit can be granted for exceeding the qualifying purchase amount. Multiple purchases for one customer are cumulative and will qualify if ordered between program dates and are purchased from one authorized BASF agent. Purchases for multiple PMPs or multiple branches that are owned or managed by one Qualified end user payer will be combined. All products sold on the behalf of BASF, all sales are final. Product must be purchased through a BASF authorized agent. Resellers are excluded from this promotion. All products may not be registered for sale or use in all states. Please check with your state or local Extension Service. BASF reserves the right to cancel or modify this program at any time.

Always read and follow label directions.
