

# Rodent Barrier Without Poisons

**EcoSafe**   
*Professional Products*

## Predator Scent Helps Keep Away Rats, Mice & Small Animals

- Uses real urines collected from predators
- Easy application, just swipe and mark the territory
- No spills, no leaks, no mess - exclusive stick applicator
- Wax base, weather resistant encapsulated formula
- For use anywhere you wish to keep rodents away
- Works great on electrical wires and motor housings

**Nature  
VS  
Nature**

**Apply the Predator to rocks, fence posts,  
entry holes, door jambs, building foundations,  
and anywhere you wish to keep rodents away.**

**Rodents Won't Dare Come Near.**
