Additional Program Details and Qualifications: All Agency products sold are on behalf of BASF. All sales are final. No returns. Rebate will be based upon reported sales from the BASF Authorized Agent(s) and Distributor(s). The T&O EOP End-User Rebate program applies only to these Qualified End-User professionals: golf, L&L, sports turf, sod farms, municipalities, and parks & rec. Multiple sales orders for one customer are cumulative and will qualify if ordered between program dates and from any BASF Authorized Agent(s) and Distributor(s). The end-user must purchase at least \$2,000 of Qualifying EOP Products to qualify for the 2020 T&O EOP End-User Rebate Program. Products must be purchased, invoiced and delivered between the program dates. No exceptions. The invoiced dollar amount for agency products and the redemption value of qualified non-agency products will be used to determine end-user total purchase and rebate earned. End-user must be in good credit standing with agent to receive special promotional terms. All non-agency terms offered at the agent's discretion. All agency products invoiced between October 1, 2019 and January 31, 2020 will receive June 7, 2020 terms for the end-user. All agency products invoiced after January 31, 2020 will receive net 60 days for the end-user. Terms for qualifying non-agency products are determined by a BASF Authorized Distributor. All rebates will appear as a credit on the end-user's account with the agent who processed the order. T&O EOP End-User Rebate credit will become available by July 31, 2020. If an end-user purchases from more than one agent, the rebate will be applied to the respective agent based on percent purchase from each agent. All products may not be registered for sale or use in all states. Please check with your state or local Extension Service. Pillar G Intrinsic brand fungicide, Siesta insecticide fire ant bait and Trinity fungicide are not for sale, distribution and/or use in New York State; and Xzemplar fungicide and Tower herbicide are not for sale, distribution and/or use in Nassau or Suffolk counties in New York State.
