The Turf EOP End-User Intrinsic Brand Fungicide Kicker incentive is cumulative and will be paid in addition to any other program payments under the 2023 T&O EOP End-User Rebate Program.

Product must be purchased, invoiced and delivered between the program dates. No exceptions. All agency products invoiced between October 1, 2022 and January 31, 2023 will receive June 7, 2023 terms for the end-user. Terms for qualifying non-agency products are determined by a BASF Authorized Distributor. All rebates will appear as a credit on the end-user's account with the agent who processed the order. T&O EOP End-User Rebate credit will become available by July 31, 2023. If an end-user purchases from more than one agent, the rebate will be applied to the respective agent based on percent purchase from each agent. All products may not be registered for sale or use in all states. Please check with your state or local Extension Service.
