REPEL BIRDS

REPEL SQUIRRELS

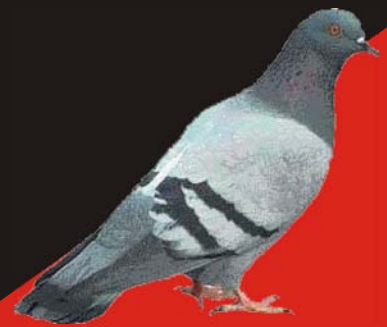

BAT-A-WAY

Bird, Squirrel, Rabbit & Bat Repellent

Active Ingredients:
Naphthalene:.....99.95%
INERT
INGREDIENTS:.....0.05%
TOTAL:.....100.00%
Net Weight: 1.25lbs. (.567 Kg.)

WARNING: Keep Out of Reach Of Children (See back panel for additional precautionary statements.) EPA Reg. Number 58630-2 EPA Est. No. 58630-GA-1

TO REPEL PIGEONS: APPLY THE PRODUCT AT THE RATE OF 1 POUND PER 400 CU. FT. PLACE SMALLER AMOUNTS (2 TO 4 OUNCES) IN A MESH BAG, CHEESE CLOTH, PANTY HOSE OR SMALL, OPENED TOPPED CARDBOARD CONTAINER SO THAT PRODUCT CAN BE EASILY REMOVED IF ODOR BECOMES TOO STRONG. ANIMALS WILL DEPART FROM TREATED AREAS SHORTLY.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS WARNING: May be fatal if inhaled. Harmful if swallowed. Avoid breathing vapors or dust. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Do not apply directly to water. DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

FOR CONTROL OF RABBITS AROUND ORNAMENTAL PLANTS: Use restrictions: To reduce the frequency of visits by rabbits to ornamental plants. For outdoor use only.

APPLICATION DIRECTIONS: At first sign of growth of roses, spring bulbs, flowers or other plants to be protected, apply one or more inch-wide bands of product around the plants. Do not apply product directly to foliage or stems. Hot weather and wind will necessitate more frequent applications.

FOR CONTROL OF TREE SQUIRRELS, BATS, STARLINGS, PIGEONS, AND HOUSE SPARROWS IN ATTICS AND WALLVOIDS:

Use Restrictions: To repel tree squirrels, bats, starlings, pigeons, and house sparrows from attics and wall voids. For indoor use only. DO NOT APPLY THE PRODUCT DIRECTLY IN THE ATTIC OR WALL VOID.

Pre-Application Directions: Calculate the total number of cubic feet to be treated. Divide by 400 cu. ft. to determine the number of pounds of product needed.

Application Directions: Apply the product at the rate of 1 pound per 400 cu. ft. Place smaller amounts (2 to 4 ounces) in a mesh bag, cheese cloth, panty hose or small, opened topped cardboard container so that product can be easily removed if odor becomes too strong. Animals will depart from treated areas shortly.

Post-Application Directions: Close all openings through which animals gain access to attic and wall voids (such as small crevices, around eaves, rafters, and around dormers) with strips of wood, metal or steel wool.

STORAGE AND DISPOSAL

STORAGE: Store only in original container, in a cool, dry place, inaccessible to children and pets. DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP (1-800-253-2687) for disposal instructions. Never place unused product down any indoor or outdoor drain.

FIRST AID	
Have label with you when obtaining treatment advice.	
If swallowed:	<ul style="list-style-type: none"> • Call poison control center or doctor, or 1-800-222-1222 immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor.
If on skin or clothing:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor, or 1-800-222-1222 for treatment advice.
If inhaled:	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
If in eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor, or 1-800-222-1222 for treatment advice.

NOTE TO PHYSICIAN:
If breathing is difficult, give oxygen.

Notice: Buyer assumes all risk of use, storage, and handling of this material not in strict accordance with label directions.
