

## Multiple Catch Mouse Traps With Safety Green Powder Coat

- Powder coating helps keep your traps safe and clean
- Neon color will make them easy to spot!

**Little Pete**<sup>®</sup>

**Repeater**<sup>™</sup>

### Item #423-SAFETEE

- Catches 7-9 live mice
- 55% narrower than standard Multiple Catch Mouse Traps
- Thick gage metal won't dent easily
- Fits in tight spots for more placement opportunities
- Great for High Traffic areas

### Item #420-SAFETEE

- Catches up to 30 live mice
- No bait needed, mice enter looking for harborage
- Dual entry allows mice to enter from either side
- Push and release lock system for added security
- Removable trap mechanism for use with glue boards
