	55 gl drum	802407
	275 gl mini-bulk	802938
KONTROL 31-67	2.5 gl jug	803183
	30 gl drum	802965

Permethrin 1:1 and 1:5 Ratios

"No significant difference in mortality was observed between the 1:1 and 1:5 formulations - therefore, from a purely economic standpoint, this marginal increase in mortality may not justify the increased cost of using the 1:5 formulation."

R.L. Groves: M.V. Meisch & R.
