NEEM

Neem has been used for thousands of years in traditional medicine and natural health care, and agricultural pest control.

BOTANICALLY DERIVED
MINIMAL TOXICITY

BROAD AND FLEXIBLE
INDOOR APPLICATION

Use to treat almost any indoor surface, including mattresses, sheets, fabrics, upholstery, wood, drywall, painted and unpainted surfaces, furniture, travel bags, and anywhere bed bugs may be found.

EPA REGISTERED
INSECTICIDE AND OVICIDE FOR
BED BUGS & SPIDERS

CIRKIL® botanical biopesticides have been developed to meet the highest industry and regulatory standards for safety & efficacy.

Introducing two groundbreaking new products by Terramera for the management of bed bugs and spiders: CIRKIL CX - insecticide and ovicide concentrate and CIRKIL RTU - ready-to-use insecticide and ovicide.

CIRKIL® products are available to licensed PMPs who register and complete the CIRKIL® product stewardship course in person or online at: terramera.com/CIRKIL
