Advantage 200LS Respirator Facepiece

Lightweight version of MSA's popular Advantage half-mask respirator gives workers more comfort and stability than ever. The AnthroCurve™ Sealing Surface instantly conforms to each wearer's unique facial characteristics and the patented MultiFlex® system equalizes pressure on the face-seal area. Two-piece, split neck strap. **Facepiece only – order cartridges and filters separately. Specify size.**

Facepiece only
RS1000 – S, M or L

Advantage 3000 Full Facepiece Respirator

Wraparound lens combined with a soft, pliable silicone facepiece. Enhances performance through a new design that allows lower breathing resistance. Includes a standard nosecup that reduces fogging in low temperatures or high humidity. Lens has scratch resistant coating, is optically correct, and provides superior visibility and peripheral vision with no distortion. Meets ANSI Z87.1 2003. Includes rubber harness. **Facepiece only – order cartridges and filters separately. Specify size.**

Facepiece only
RS1300 – S, M or L

Replacement parts & accessories are available for this respirator. Please call to order.
