Winning

Made in Switzerland

The handiest spreader in the world: Granomax – spreading made easy

The application is easy. Fill it, pull the Granomax around your back and start spreading. Excellent for spot treating or for larger areas in gardens, lawn areas, paths, driveways, and more.

Your Birchmeier distributor:

Even spread pattern

The uniquely designed spread head guarantees an even spreading of a wide range of materials. With easy lateral movements, widths up to 6.5 ft can be evenly covered. With Granomax, spreading becomes as easy as watering plants.
