

# Nature-Cide®

## Features & Benefits:

- All Natural.
- Pleasant Odor.
- Made in the U.S.A.
- Developed from a Licensed California Pest Control Service.
- Full Service Solution, that gives the ability to Eradicate Pests in an outdoor setting.
- Kills and repels fleas, ticks, ants, bed bugs, mosquitoes, and other insects on contact.
- Available in 2 oz., 8 oz., 32 oz. ready to use and 64 oz., 2.5 gallon and 55 gallon concentrate.

## Application:

Depending on desired strength, mix 1 oz. to 7 oz. of Pest Management with water to prepare 1 gallon of desired solution. With a pressurized pump sprayer, treat areas infested with most insects to rapidly eradicate. This includes all outdoor applications where insects gather, hide or breed. Be very thorough and make sure you treat all areas where various insects congregate, including lawns, shrubs and bushes. Pest Management concentrate is highly effective to spray large yard areas without harming ecosystems or bodies of water. The Outdoor 32 oz. Ready to Use product is a strong mixture that virtually knocks down most insect immediately and is safe to use daily.

## Ingredients:

• Cedarwood Oil • Glycerin • Soap • Cinnamon Oil • Myristic Acid • Water
