# CIDETRAK® IMM

MATING DISRUPTANT FOR INDIANMEAL MOTH

The **Best** *Product*. The **Best** *Protection*  
... on the market today.

**CIDETRAK® IMM** is the **Best Product, Best Solution**, and the absolute **Best Protection** for Indianmeal Moth management on the market today.

**CIDETRAK® IMM** is proven to be the most cost effective tool you can use for prevention and control of IMM and related moths. CIDETRAK IMM has consistently reduced or eliminated season long IMM abundance, and related insecticide applications in very large scale scientific trials. And users report outstanding results from extensive commercial use in food processing, commodity storage and retail facilities **during the past 5 years**. Try it! CIDETRAK IMM is the most effective "green" product that you will place in your insect management program this year. Call your distributor now or visit Trece's website for more information.
