

TRAPPER® GLUE BOARDS AND TRAPS

STOP RODENTS IN THEIR TRACKS

PRODUCT FEATURES:

- ▶ Superior glue formulation
 - Powerful enough to hold a large, wild rat securely, and the slightest contact with the glue holds a mouse
 - Greater “stretchability” helps to keep rodents trapped
 - Effective in a wide range of temperatures
 - Firm enough to stay on tray in high temperatures
 - Soft enough to capture the smallest rodent
- ▶ Superior tray design
 - Flexible tray material does not allow rodent to escape
 - Low tray height reduces stops at the edge of tray
 - Narrow tray edge does not allow mice to run along edge

TRAPPER GLUE BOARDS

- Non-poisonous glue traps to capture rats and mice
- Sturdy, low-profile plastic tray makes it easy for rodents to step into glue
- Tenacious glue formula captures mice on contact; strong enough to hold a rat
- Available in rat- and mouse-size boards
- Face-to-face boards separate easily for placement

TRAPPER PRO PACK

- Professional Dispenser Pack holds 12 traps
- Glue boards are ready to use; no packaging to remove
- Carrying handle makes it easy to service accounts
- Packs reseal to keep unused boards clean
- Used boards can be slipped back into pak and disposed of when convenient

TRAPPER TUNNEL (PLASTIC)

- Protects glue boards from dust and debris
- Sturdy plastic snaps onto glue board
- Prolongs the holding power of the glue boards
- Keeps captured rodent out of sight
- Sanitary, professional-looking for discreet accounts

TRAPPER TUNNEL (CARDBOARD)

- Cardboard tunnel protects Trapper Glue Boards from dust and debris
- Prolongs effectiveness of glue board
- Keeps captured rodents out of sight
- Easy to assemble; presents clean, sanitary appearance
- Locking tabs hold glue boards in place

TRAPPER LTD

- Economical cardboard trap captures mice, roaches and insects on contact
- Release paper protects glue until board is used
- Use flat or fold to make covered glue trap
- Directions printed in English and Spanish

TRAPPER MAX

- Excellent combination of performance and value
- One product – multiple uses; use for mice or insects AND as a flat or covered trap
- Fastest, easiest release system compared to other peel-off glue traps
- Larger surface area

TRAPPER MONITOR & INSECT TRAP

- Traps and monitors insects
- Use to determine location, species and severity of infestation
- Use as large trap or separate into three smaller traps
- Adhesive back sticks to nearly any surface
- Space to record date and location of use
- Use with Trapper Roach Attractant Tablets to attract roaches
