Weed & Grass

Pelleted, Non-Selective, Residual Herbicide

ACTIVE INGREDIENTS

BY WEIGHT:

Sodium Metaborate* ($\text{Na}_2\text{B}_2\text{O}_4$)	49.0%
Sodium Chlorate (NaClO_3)	30.0%
Diuron 3-(3, 4-dichloropheny) 1,1-dimethylurea	1.25%
INERT INGREDIENTS	19.75%
TOTAL	100.0%

*Equivalent to 6.5% boron expressed as elemental boron.

EPA REG. NO. 33560-46

EPA EST. NO. 19713-TN-006

THIS PRODUCT CONTAINS A FIRE RETARDANT

KEEP OUT OF REACH OF CHILDREN

DANGER PELIGRO

SEE ADDITIONAL PRECAUTIONARY STATEMENTS ON BACK OF BAG.

BAREGROUND WEED CONTROL IN NON-CROP AREAS SUCH AS:

- *Equipment Storage Areas*
- *Cell Tower Sites*
- *Lumberyards*
- *Around Farm Buildings*
- *Petroleum Tank Farms*
- *Along Fence Lines*
- *Parking Areas*
- *Industrial Sites*

Weed & Grass

Pelleted, Non-Selective, Residual Herbicide

PRODUCT INFORMATION

BareSpot® Weed & Grass is designed for non-selective kill of weeds and grasses with a single treatment. Use for quick knockdown of existing vegetation as well as short season effect in the soil for control of re-growth or new seedlings. Use for general mixtures of weeds and grasses.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling.

ENTRY RESTRICTIONS

Do not enter or allow others to enter until dusts have settled.

FOR USE ON INDUSTRIAL SITES

IMPORTANT: This material is not selective in action, may be toxic to all types of vegetation, and may render the entire treated area totally or partially unproductive for one or more years. Care should be taken to continue the use of application to the particular area intended to be treated and to avoid its contact with lawns, trees, shrubs, crops and other desirable plants which are not intended to be destroyed or injured. This includes precautions in treating areas which may be under-laid by roots of adjacent desired growths. Careless application of this material, or washing by water run-off to areas where desirable plants are growing or which will be used for later planting may result in injury to desirable plants. Do not drain or flush equipment on or near such areas. Do not contaminate domestic or irrigation water or waters used by fish and wildlife. Wash clothing and equipment after application. Keep animals off treated area until rainfall has leached all the herbicide into the soil. Mechanical equipment should be thoroughly cleaned after use.

WHERE TO USE

AROUND OR NEAR THE FOLLOWING: Bleachers, Bridge abutments, Buildings, Bunkers, Buried cable closures, Catwalks, Compressor stations, Cooling towers, Cross connect boxes, Electrical generators, Fence lines, Fire hydrant, plugs or walls, Fuel tanks, Generating plants, Guardrails, Halo pads, Highway and street markers, Loading stations, Lumber yards, Microwave towers, Oil and Gas pipelines, Oil refineries, Parking lots, Pump decks, Runway lights, Runways, Sign post, Storage and equipment yards, Utility poles and substations, Vacant lots, Valves & manifolds, Waste lagoons or other similar non-cropped areas.

WHEN TO USE: Use BareSpot® Weed & Grass anytime during the growing season. Weeds and grasses are easier to kill when they are young and growing rapidly.

APPLICATION: For all uses uniform application is essential. The material becomes effective in the soil followed by rainfall or irrigation. (See application rates below.) BareSpot® Weed & Grass is ready to use! Apply with a hand-operated spreader, such as a conventional cyclone type spreader or a power spreaders for larger areas.

Use the following rates of application under most conditions:

KINDS OF WEEDS	APPLICATION RATES
GENERAL vegetation control	1-2 lbs./100 sq. ft.*
PERENNIAL weeds deep rooted	3 lbs./100 sq. ft.**

The maximum application rate for Diuron is 12.0 pounds active ingredients per acre in areas of high rainfall or dense vegetation.

The maximum application rate for Diuron is 8.0 pounds active ingredient in other areas.

Do not apply more than 12 pounds of Diuron active ingredient per acre per year.

Apply a minimum of 2 applications per year.

The minimum treatment interval is 90 days.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage. Harmful if swallowed or if absorbed through the skin. Suspected of damaging the unborn child. Do not get in eyes, skin, or on clothing.

MANUFACTURED FOR

Pro-Serve, Inc.

USER SAFETY RECOMMENDATIONS

Users should: Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove clothes/PPE immediately if pesticide gets inside then wash thoroughly and put on clothing. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

PERSONAL PROTECTIVE EQUIPMENT

Loaders, applicators and other handlers must wear: Coveralls over long sleeved shirt and long pants, Chemical-resistant gloves made of any waterproof material, Chemical-resistant footwear plus socks, Goggles or face shield, A dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C) or a NIOSH-approved respirator with any N.R.P. or HE filter, Chemical-resistant headgear for overhead exposure, and Chemical-resistant apron when loading or cleaning equipment.

USER SAFETY REQUIREMENTS

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist use detergent and hot water. Keep and wash PPE separately from other laundry. Do not store near food or feed products. Store out of weather.

ENVIRONMENTAL HAZARDS

Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water used by wildlife and aquatic life, or for domestic and irrigation purposes. Do not apply where run-off is likely or where weather conditions favor movement away from target area. Do not contaminate water when disposing of equipment wash waters or rinsate.

FIRST AID

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance then give artificial respiration preferably, mouth-to-mouth, if possible. Call a poison control center (1-901-332-7052) or doctor for further treatment advice. Have this product container or label with you when calling a poison control center or doctor or going for treatment.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lens, if present, after first five minutes then continue rinsing. Call a poison control center or a doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or a doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Possible mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Avoid contact with floor and moisture.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Empty container from bag before disposal. Dispose of bag in a sanitary landfill or by incineration or if allowed by State and local authorities by burning. If burned, stay out of smoke.

NOTICE: Because of the many varying conditions affecting use and application, such as location, seasonal weather, soil composition and type of vegetation, manufacturer warrants neither that these and other conditions may enjoy or vary the results or effects of the use of this product. In any event, complete elimination of weeds is not guaranteed. It is advisable to consult your State Extension Service or Agricultural Experiment Station Weed Specialist on specific problems. Neither manufacturer nor seller shall be liable in respect to any injury or damages suffered by reason of the use of this product for a purpose not indicated by the label or when used contrary to the directions or instructions hereon nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms and assumes all risks of usage and handling except when used or handled in accordance with this label. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representation or warranties, expressed or implied by law, not specifically set forth herein.

DISCLAIMER: Pro-Serve, Inc. warrants only that material contained herein conforms to the chemical description of the label and is reasonably fit for the use thereon described when used in accordance with the DIRECTIONS. It is responsible to eliminate all risks associated with use of this product. Injury to desired vegetation, non-effectiveness or other unintended consequences may result. Disclosure of such factors such as weather conditions, presence of other materials, soil conditions, or the manner of use or application, all of which are beyond consequential commercial damages, such as loss of profits or values of any other special or indirect damage. Pro-Serve, Inc. makes no other expressed or implied warranty, including any other expressed or implied warranty of FITNESS or of MERCHANTABILITY.
