Tip-Trap®

Live Capture Mousetrap

TIP-TRAP The Simple Do-It-Yourself Mousetrap

The TIP-TRAP was designed for residential and commercial use. This unit is safe, simple and effective because it is easy to bait, easy to set, and easy to release

The TIP-TRAP has many features and benefits:

- Easy Release/Disposal**- No need to touch the rodent. Neat, clean and sanitary.
- Simple Set**- Quick and easy placement of the TIP-TRAP. No fingers caught in traps.
- Durable Polypropylene Construction**- Makes the TIP-TRAP strong and longer lasting.
- Unique Design**- No harmful chemicals, baits or poisons. Safe to use around children and pets. Resistant to stain and odors.
- Versatile Trap**- Can be used in home, business, factories and schools. Can be used everywhere.
