

PROFOAM PLATINUM®

Foaming Agent

ProFoam Platinum is a unique blend of foaming agents offering treatment capabilities by transporting all types of products to remote areas such as wall voids, ground voids, drains and other voids needing complete treatment of all surface areas. This product can be added to soil termiticides, borates or drain cleaning agents to create a foam for treatment requirements. Not Prop 65 listed in California.

- The highest quality foam, labeled for broad use, compatible with all insecticides tested on the market.
- pH balanced with a non-repellent and non-ionic formula – less corrosive than ionic formulas on the market.
- Ideal for use in remote areas as well as in vertical and horizontal spaces including wall voids, tunnels, ground voids and drains.
- Handy squeeze & pour quart container allows for easy measurement of one ounce at a time.
- Perfect for sensitive environments such as food establishments.
- Can be used for all your foaming applications.

Nothing else stacks up.
