

Snap-E® Cover

The Snap-E Cover is uniquely designed for rodent control in common areas.

Snap-E Covers keep traps and catch out of sight, keeping children and pets away from rodents and traps.

Snap-E Covers are available in four colors, and are also paintable.

The Snap-E Cover requires no chemicals and is made of durable plastic construction.

When using Snap-E mousetraps, inspection holes on top of cover makes for faster service.

Each Snap-E Cover includes one safety key.

Worldwide Solutions In Pest Control Since 1924™

- Blends in to the environment
- Use in common areas
- Catch and trap are out of sight
- Keeps Children & Pets away from traps

SNAP-E MOUSETRAP COVER

To remove the cover top, insert the key into the slot beside the mouse entrance hole. Hold the base & while pushing in on the key, pull straight up to remove the top. (Figure 1) Remove the key and keep in a safe place.

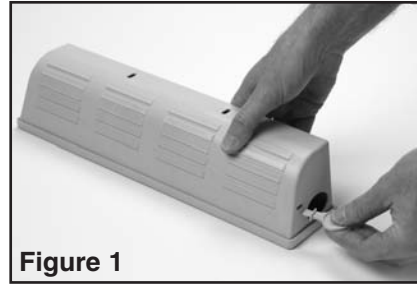

Figure 1

Remove the two Snap-E mousetraps from the cover base. (Figure 2)

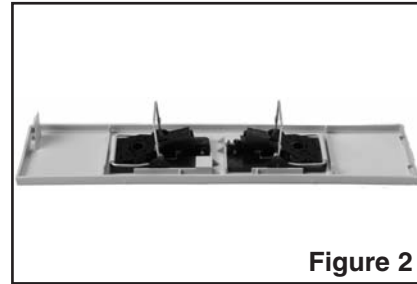

Figure 2

EASY TO BAIT - Place peanut butter in the bait cups of the Snap-E mousetraps.

EASY TO SET - Replace the baited Snap-E traps in the base. Pull back slowly on upright bar until locked firmly in catch. Re-install the top of the cover. (Figure 3)

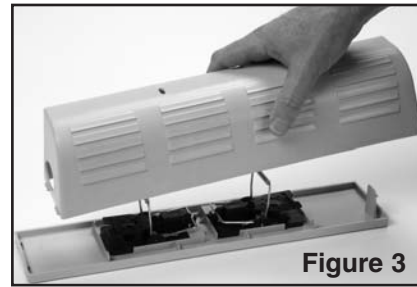

Figure 3

EASY TO RELEASE - Pull back slightly on upright bar until mouse is released.
