

Reflect-A-Bird™ Bird Deterrent

Bird Species	All birds
Where to Use	Buildings, boats and agricultural settings
Material	Weatherproof aluminum and plastic
Bird Pressure	Light to Medium

Bird•B•Gone Reflect-A-Bird™ is a silent wind-powered spinning visual bird deterrent that effectively scares birds away. The Reflect-A-Bird™'s mirror-like design uses sunlight and wind to create a distraction zone that confuses pest birds causing them to flee the area. The weatherproof aluminum and plastic construction make this bird deterrent ideal for outdoor use. For best results, use Reflect-A-Bird™ in conjunction with other visual or physical bird deterrents.

Angled design (up to 90 degrees) allows Reflect-A-Bird™ to be installed in various directions.
