

Gro-Power® Premium Azalea, Camellia and Rhododendron Food 6-4-4 is designed especially for Azaleas, Camellias, Rhodies, Gardenias, Clematis and all acid-loving plants including Evergreens. It is clean, with no-odor and is formulated to help develop deep vigorous roots, deep rich leaf color and more flowers.

Gro-Power® Premium Azalea, Camellia and Rhododendron Food 6-4-4 contains methylene ureas (Mu), phosphorus, potassium plus micronutrients. This product also contains Humic Acids which is a natural organic material.

The basic material in **Gro-Power® Premium Azalea, Camellia and Rhododendron Food 6-4-4** is humus, an odorless composted material that will tend to retain available cations such as calcium and magnesium for the plants in their soil, condition the soil, break up compacted soils and promote water conservation.

Use **Gro-Power® Premium Azalea, Camellia and Rhododendron Food 6-4-4** to promote "Nature Organic Way" and to aid in creating a soil in which, with the addition of potash, tends to lessen many of the diseases of plants.

APPLICATION RATES

For feeding your entire garden, apply 2 lbs. (about 4 cups) per 100 sq. feet. Feed 4 times annually. Water thoroughly after each application. Consider supplementing with Gro-Power® Premium Green Iron (40% Fe) to help prevent and correct extreme chlorosis.

GARDEN PLANTS	CONTAINER PLANTS
1 - 2 Ft.1/4 cup	6" Pot/1 Gal.....1/2 tsp.
2 - 3 Ft.1/3 cup	8" Pot/2 Gal.1 tsp.
3 - 4 Ft.1/2 cup	10" Pot/3 Gal.1 Tbs.
4 - 6 Ft.3/4 cup	12" Pot/5 Gal. 2 Tbs.
6 Ft. +1 - 2 cups	14" Pot/7 Gal.1/4 cup
	16" Pot/15 Gal.1/2 cup

GUARANTEED ANALYSIS

Total Nitrogen (N)	6.00%
1.00% Urea Nitrogen	
2.00% Ammoniacal Nitrogen	
1.25% Water Soluble Organic Nitrogen	
1.75% Water Insoluble Organic Nitrogen	
Available Phosphoric Acids (P ₂ O ₅).....	4.00%
Soluble Potash (K ₂ O).....	4.00%
