WEED & GRASS

Pelleted, Non-Selective, Residual Herbicide

BARE SPOT®

WEED & GRASS

FOR QUICK KNOCKDOWN AND RESIDUAL CONTROL

ACTIVE INGREDIENTS BY WEIGHT

Sodium Metaborate* (Na ₂ B ₂ O ₄)	49.00%
Sodium Chlorate (NaClO ₃)	30.00%
Diuron 3-(3, 4-dichlorophenyl) 1,1-dimethylurea	1.25%
INERT INGREDIENTS	19.75%
TOTAL	100.00%

*Equivalent to 6.5% boron expressed as elemental boron.

EPA REG. NO. 33560-46

EPA EST. NO. 19713-TN-006

THIS PRODUCT CONTAINS A FIRE RETARDANT

FOR USE AROUND OR NEAR NON-CROP AREAS SUCH AS:

- Equipment Storage Areas
- Fence Lines
- Industrial Sites
- Farm Buildings
- Parking Areas
- Cell Tower Sites
- Oil or Gas Pipelines
- Walkways

For sale and use by professional and maintenance personnel, landscaping and commercial applicators only. Not for sale to or use by homeowners.

KEEP OUT OF REACH OF CHILDREN

POISON

DANGER PELIGRO

SHAW'S WORK AND/OR PRODUCTS. CUSTOMER IS SOLELY RESPONSIBLE FOR ANY FAILURE OF ANY PART OF THE ATTACHED TO COMPLY WITH ANY STATE OR FEDERAL LAW OR REGULATION, AND FOR ANY LIABILITY FOR THE INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS OF THIRD PARTIES.

WEED & GRASS

Pelleted, Non-Selective, Residual Herbicide

BARE SPOT® WEED & GRASS

PRODUCT INFORMATION

BareSpot® Weed & Grass is designed for non-selective kill of weeds and grasses with a single treatment. Use for quick knockdown of existing vegetation as well as short season effect in the soil for control of re-growth or new seedlings. Use for general mixtures of weeds and grasses.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling. Do not apply this product in any way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. Do not enter or allow others to enter until dusts have settled. Application with a spoon, a pump-feed spreader or gravity feed backpack spreader is prohibited.

FOR USE ON INDUSTRIAL SITES

IMPORTANT: This material is not selective in action, may be toxic to all types of vegetation, and may render the entire treated area totally or partially unproductive for one or more years. Care should be taken to continue the use of application to the particular area intended to be treated and to avoid its contact with lawns, trees, shrubs, crops and other desirable plants which are not intended to be destroyed or injured. This includes precautions in treating areas which may be under-laid by roots of adjacent desired growths. Careless application of this material, or washing by water run-off to areas where desirable plants are growing or which will be used for later planting may result in injury to desirable plants. Do not drain or flush equipment on or near such areas. Do not contaminate domestic or irrigation water or waters used by fish and wildlife. Wash clothing and equipment after application. Keep animals off treated area until rainfall has leached all the herbicide into the soil. Mechanical equipment should be thoroughly cleaned after use.

WHERE TO USE

AROUND OR NEAR THE FOLLOWING: Bleachers, Bridge abutments, Buildings, Bunkers, Buried cable closures, Catwalks, Compressor stations, Cooling towers, Cross connect boxes, Electrical generators, Fence lines, Fire hydrant, plugs or walls, Fuel tanks, Generating plants, Guardrails, Helo pads, Highway and street markers, Loading stations, Lumber yards, Microwave towers, Oil and Gas pipelines, Oil refineries, Parking lots, Pump decks, Runway lights, Runways, Sign post, Storage and equipment yards, Utility poles and substations, Vacant lots, Valves and manifolds, Waste lagoons or other similar non-cropped areas.

UNDER THE FOLLOWING: Concrete, Gravel, Driveways (not on a slope), Sidewalks or Walkways, Wood decks.

WHEN TO USE: Use BareSpot® Weed & Grass anytime during the growing season. Weeds and grasses are easier to kill when they are young and growing rapidly.

APPLICATION: For all uses uniform application is essential. The material becomes effective in the soil followed by rainfall or irrigation. (See application rates below.) BareSpot® Weed & Grass is ready to use! Apply with a hand-operated spreader, such as a conventional cyclone type spreader or a power spreader for larger areas. The maximum application rate for Diuron is 12 pounds active ingredient per acre in areas of high rainfall or dense vegetation. The maximum application rate for Diuron is 8 pounds active ingredient per acre in all other areas. Do not apply more than 12 pounds of Diuron active ingredient per acre per year. Apply a maximum of 2 applications per year. The minimum treatment interval is 90 days.

Use the following rates of application under most conditions:

KINDS OF WEEDS	APPLICATION RATES
GENERAL vegetation control	1-2 lbs./100 sq.ft.*
PERENNIAL and deep rooted weeds	3 lbs./100 sq.ft.**

Approximately 2 1/2 cups of BareSpot® Weed and Grass equals 1 lb.

*As low as 1/2 to 1 lb./100 sq.ft. can be used on young and rapidly growing general vegetation.

**As low as 1 1/2 lb./100 sq.ft. can be used on young and rapidly growing deep rooted perennials.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Avoid contact with floor and moisture.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Region Office for guidance.

CONTAINER DISPOSAL: Non-refillable container. Do not refill or reuse container. Completely empty bag by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then offer for recycling, if available, or dispose of bag in a sanitary landfill or by incineration if allowed by State or Local authorities.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Fatal if inhaled. Causes irreversible eye damage. Causes skin burns. May be fatal if swallowed. May be fatal if absorbed through skin. Do not get in eyes, on skin, or in clothing. Do not breathe dusts. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

USER SAFETY RECOMMENDATIONS

Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Users should remove clothing/PPE immediately if pesticide gets inside, then wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

PERSONAL PROTECTIVE EQUIPMENT

Some materials that are chemical-resistant to this product are made of waterproof material. If you want more options, follow the instructions for category A on the EPA chemical-resistance category selection chart.

Loaders, applicators and other handlers must wear:

- Coveralls over long sleeved shirt and long pants,
- Chemical-resistant gloves made of any waterproof material,
- Chemical-resistant footwear plus socks,
- Goggles or face shield,
- A dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C) or a NIOSH-approved respirator with any N.R.P. or HE filter,
- Chemical-resistant headgear for overhead exposure, and
- Chemical-resistant apron when loading or cleaning equipment.

USER SAFETY REQUIREMENTS

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. User should remove clothing/PPE immediately if pesticide gets inside. Keep and wash PPE separately from other laundry. Do not store near food or feed products. Store out of weather. Discard clothing or other absorbent material that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

ENVIRONMENTAL HAZARDS

Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water used by wildlife, aquatic life and/or for domestic or irrigation purposes. Do not apply where run-off is likely or where weather conditions favor movement away from target area. Do not contaminate water when disposing of equipment wash waters or rinsate.

FIRST AID

IF INHALED: Move person to fresh air. If person is not breathing call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice. Have this product container or label with you when calling a poison control center or doctor or going for treatment.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lens, if present, after first five minutes then continue rinsing. Call a poison control center or a doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or a doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. If needed, treat for circulatory shock, respiratory depressions, or convulsions. **Emergency Contact Number: 901-332-7052**

NOTICE: Because of the many varying conditions affecting use and application, such as location, seasonal weather, soil composition and type of vegetation, manufacturer warns buyer that these and other conditions may impair or vary the results or effects of the use of this product. In any event, complete elimination of weeds is not guaranteed. It is advisable to consult your State Extension Service or Agricultural Experiment Station Weed Specialist on specific problems. Neither manufacturer nor seller shall be liable in respect to any injury or damages suffered by reason of the use of this product for a purpose not indicated by the label or when used contrary to the directions or instructions hereon nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms and assumes all risks of use and handling except when used or handled in accordance with this label. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, expressed or implied by law, not specifically set forth herein.

DISCLAIMER: Seller warrants that the chemical composition of this product conforms to the chemical description given on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED OR IMPLIED OR STATUTORY INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR USE. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation are beyond the control of the seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herein. Buyer further agrees in the event of damage arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product at buyer's option as full discharge of seller's liability. No one is authorized to make any other warranty, guarantee or directions concerning this product and no such warranties, guarantees or directions shall be valid or binding upon product and/or seller.
