

UCT-15

Discretely capturing flies with *style!*

The **UCT-15** is the newest innovation of **GARDNER Fly Lights**.

This light is a perfect fit for mounting under bars and counters to help with fly control. Additionally, this highly portable light can be mounted horizontally or vertically on any wall or placed on top of any flat surface. The UCT-15 comes with an easy-to-use mounting bracket. Simply secure the bracket to any flat surface and slide the backside of the light onto the bracket. The UCT-15 is easy to service as well, with two 3" x 11" glueboards that slide in and out of the ends of the unit.

Available in multiple colors, including Green, Black and Silver, the UCT-15 will easily blend into your décor while discretely capturing flies with style.

- 24-hour, non-chemical trapping
- Uses two 3"x11" specially designed glueboards
- Energy-efficient U.V. Insect Lamp (15 watts)
- Available in multiple colors: Green, Silver and Black
