## PROFESSIONAL

Designed & formulated for professional use:

- Pest Control Operators • Landscapers • Grounds & Greenskeepers
- All Landscape Installation & Maintenance Professionals

## GRANULAR DEER REPELLENT

For All  
Season  
Use

**DIRECTIONS FOR USE:** For **FIRST** Application use aggressively. Beginning 18" out from a bed or drip line, apply an 18" to 20" perimeter barrier strip around groups, plots, beds, rows of trees, shrubs, flowers or other edibles at risk for deer browsing damage. For **overly aggressive deer browsing**, widen the perimeter strip to 24" and apply heavier. Use **Deer Scram<sup>TM</sup> Professional** every 30 to 45 days. Normal rainfall enhances product. After very heavy or extended rainfall, reapply. **Deer Scram<sup>TM</sup> Professional** lasts up to 90 days in winter and works well under fresh snow. If snow crusts, break up & reapply. **Note: If you can see the path where deer are entering the property, apply three 6-foot wide strips across the path 5 feet apart. SEE FULL APPLICATION INSTRUCTIONS INSIDE.**

**PRECAUTIONARY STATEMENTS:** Wash skin after use. Avoid contact with eyes or cuts. If in eyes, flush with water 15-20 mins. Call Poison Center or doctor for treatment. **Storage:** Store in original sealed container. Store away from direct sunlight or excessive heat. Do not contaminate water by storage or disposal. Do not use on food or feed crops. Do not apply directly to water. **Disposal:** Do not reuse empty container. Dispose of properly. Buyer assumes all responsibility for safety and use not in accordance with directions. EPIC represents that this product qualifies for exemption from EPA registration under Section 25(b) of FIFRA and has not been registered by the EPA.
