Nature-Cide®

OUTDOOR

INSECTICIDE • REPELLENT

A light, gentle spray or stream in any problem area will combat and repel Cockroaches (American, German, Oriental and smoky brown), Ants (Pharaoh, red imported and Argentine), Fleas (cat flea adults and larvae), Ticks (brown dog), Flies (blue bottle and houseflies), Bed Bugs, House Spiders, Aphids, Mites (poultry), Silverfish, European Earwigs, Clothes Moths, Beetles (Confused flour, cigarette, Colorado potato and Asian Lady), Boxelder Bugs, Silverleaf Whiteflies, Brown Marmorated Stink Bugs, Mosquitoes, Caterpillars (diamondback moths and beet armyworms), Hornets and Yellow Jackets. Non-Hazardous and Non-Flammable. There are no known health risks to humans, animals or the environment when this product is used as directed.

DIRECTIONS FOR USE: Read entire label prior to use; using as directed. Shake well before each use. Do not spray directly on bees or at times when bees are active. Spray liberally into all areas where pests frequent (in corners, around window and door frames) to prevent pests from entering dwellings. For use in gardens composed of ornamental trees or flowers (not for use on vegetables or fruit trees) on or around patio furniture, or where pest infestations are found. Contact as many pests as possible with the spray. Nature-Cide Outdoor will repel pests and cause them to immediately migrate out of the area after treatment. Repeat daily as necessary to control pests. After pest control is obtained, use Nature-Cide Outdoor weekly for pest prevention maintenance. Note: Nature-Cide Outdoor may be used daily without any harm to most surfaces. However, always spray a small area to confirm the surface is safe for treatment.

STORAGE AND DISPOSAL:

STORAGE: Store in a cool, dry area out of reach of children.

DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information.
