## GLUE TRAP

### The Ultimate Glue Trap and Monitoring System

Use the STICK-ALL MOUSE AND INSECT TRAP for the ultimate in glue trap pest control. Attracts, monitors and catches multiple mice and insects with identifying features that include: defined and permanent location holes for bullet lures for beetles; diverting walls to direct mice to glue trap; and insect slot entrances on all four sides. Trapped pests remain out of sight when caught. Replace the used glue trap with a new one, and you're ready to go. This high-impact, polystyrene, reusable protective housing comes with one STICK-ALL GLUE TRAP.

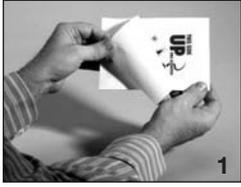

It's a sticky solution to a sticky problem. The STICK-ALL GLUE TRAP is pre-baited to attract multiple mice and insects. Once caught, they stay caught. It's so easy, safe and sanitary.

The STICK-ALL GLUE TRAP is easy to use. Remove the protective paper and place trap near pest activity. Simply dispose of trap when full. No dangerous chemicals are used. The pre-baited GLUE TRAP can be placed in the home, office and warehouse. Convenient for the user and safe for the environment.
