Bug X 30 Insect Repellent with DEET:

Your insect repellent skin care solution.

This newly approved EPA registered formula follows the suggestion from CDC to reduce the amount of DEET concentration in insect repellents. This newly approved EPA formula allows the DEET to be released in a more controlled and measured manner, permitting longer lasting performance once obtained only by high concentrations of DEET. This new water base formula is Non-Greasy, Non-Staining, Low Odor & Water and Sweat Resistant. Bug X 30 Insect Repellent with DEET is effective for 7+ hours against: Mosquitoes, ticks, chiggers, fleas, gnats, red bugs, no-see-ums, sand fleas, biting flies, deer flies, stable flies, and black flies.

RG6600EA
