TITAN ALPHA

Powerful, Economical & Compact

A very powerful, yet compact machine with two powerful, yet energy efficient 15-watt T5 lamps. Economical and effective this 30-watt system is ideal for moderate use non-food prep areas of kitchens, shops, cafes and fast food establishments.

TITAN 300

Performance far beyond its price

With a wrap-around guard 360° protection, this all-metal system offers features and performance far beyond its price.

Two powerful 15-watt lead-free Quantum BL UV lamps with shatter resistant lamps provides 30-watts of power. Ideal for non-food prep areas of kitchens, shops, cafes and all commercial uses. Lamps are interchangeable with other PestWest systems.

Both systems are portable or ceiling mounted.
