# Mantis® VEGA

## NEW SLIMLINE TECHNOLOGY

The rising star of ILT innovation, the Mantis® Vega maximizes environmental quality featuring 3 highly energy efficient T5, 14 watt Quantum shatter resistant lead-free lamps and ultra modern electronic ballasts.

Interchangeable glue board with other Mantis® brand products. Continually raising the bar on quality without compromise.

- Can be hung vertical or horizontal
- Unique ultra narrow slimline design
- ROHS compliant T5 tubes have a higher UVA output with less electricity consumed compared to T8 tubes and especially the T12 tubes
- **Lead (Pb)-free**, low Mercury (Hg) and reduced glass content
- State-of-the-art dual voltage ballast significantly reduces electrical consumption
- Interchangeable glue board with most other Mantis® brands
- 3-year warranty
- No mounting bracket needed. Easy to mount key holes are integrated into the fixture
- **Ultra slimline design only 1 1/2" from the wall**
- Safe and hygienic in most sensitive areas
- Peace of mind for brand protection
- Dual voltage for 110v and 230v environments
