

**Installing the Sheffield 2-1/2" Widening Adaptor (#CTW25)  
to drill holes large enough to accommodate  
Whitmire's Advance Termite Bait Station  
is as easy as 1, 2, 3, GO!**

! 1

Slide adaptor  
over soil auger  
pilot point tip.

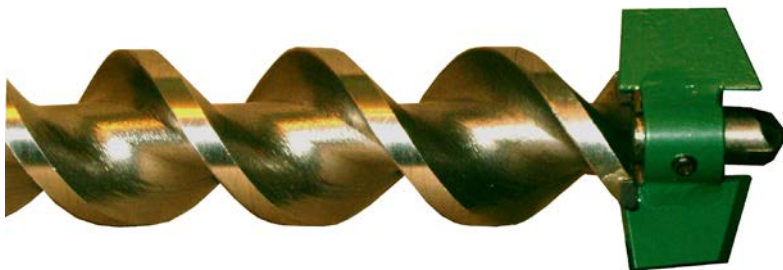

@ 2

Turn adaptor until it  
locks in place.

# 3

Use an allen wrench (not included)  
to secure adaptor to soil auger
