

Nature-Cide®

Introducing Nature-Cide INSECTICIDAL DUST!

Features & Benefits:

- All Natural
- Made in the U.S.A.
- Available in 1 pound size.
- Registered with state's EPA offices.
- Unique 25(b) "minimum risk" Insecticidal Dust.
- Kills bed bugs, ants, fleas, ticks, and other insects on contact.

Application:

Always shake well before using. Prior to any large area application, test a small, inconspicuous area and check later for any adverse effects. Apply in and around areas where insects may be crawling, hiding or living. The amount to apply varies depending upon infestation severity. Suggested application rate is 1-2 oz. per 100 sq ft of surface area.

Ingredients:

- Geraniol • Cornmint Oil • Diatomaceous Earth • Sodium Bicarbonate
- Calcium Silicate • Calcium Carbonate

Product Description:

Nature-Cide 1 lb. Insecticidal Dust #NCID1 (1 each, 10 per case)

Of the insects treated in an independent laboratory, Nature-Cide Insecticidal Dust provides measureable repellency for up to 11 weeks after the initial application.
