Demi-Diamond[®] COMBO PACK

Kit Contains: 10 x Demi Diamond

50 x Fruit fly glue boards OR 20 x Indian Meal moth and Flour moth pheromone glue boards OR 20 x Webbing Clothes moth pheromone glue boards

Insect activity awareness at a glance, 3 Demi-Diamond Combo Packs for Fruit flies, Indian Meal moths, and Webbing Clothes moths provide area wide census and actionable ongoing service strategies to prevent costly infestation and contamination of commodities.

- A Professional Walk-By Monitoring System: Requires only a glance; which is both simpler and a time saver for quality inspections.
- Versatile: Demi-Diamond stations allow mixing and matching of glue boards to target Fruit Flies, Indian Meal moths, and Webbing Clothes moths for optimum pest census.
- **Cost Effective:** The Demi-Diamond station can be washed and reused numerous times and no electricity required!
- *Plodia* and *Esphestia* pheromone glue boards: **Slow release technology** lasts between service intervals.
- Glue board colorations provide contrasting, easy insect ID (moth glue boards feature a square grid pattern to assist trends analyses).
- Stations feature a 30 ml bait lure* reservoir for optimum target pest monitoring.

Fruit fly	Malted vinegar	Brewer's yeast
Dark-eyed Fruit fly	Red wine	Moist cat food

*Suggested Fruit Fly Bait Lures (where allowed)

- Ideal for food processing plants and warehouses, hospitals, clinics, supermarkets, pet stores, restaurants, delis, convenience stores, schools, residential homes, and many more.

Demi-Diamond Combo Packs are ready to use and deploy. For time saving, quality inspections, optimum monitoring and intuitive services, Combo Packs contain everything you need to set-up and maintain Walk-by Monitoring Systems.

- Fruit Fly Combo Pack: 10 Demi-Diamond stations + 50 yellow glue boards (Product code: DD000)
