

BIRD•B•GONE[®] Inc.

NEW!

Manual Hog Ring Tool

®

Advantages & Benefits

- ▶ Front facing open jaws for quick and easy hog ring installation!
- ▶ Light weight, easy to use hog ring tool!
- ▶ Ideal for getting into tight corners and tight spots!
- ▶ 1.7mm stainless steel and galvanized hog rings available!

Bird-B-Gone's Manual Hog Ring Tool is an ergonomic tool that makes net installations easy and comfortable. The easy to grip hog ringer uses 1.7mm hog rings to secure to bird net to straining wire.

- ▶ Cost effective tool!
- ▶ Easy to use - ergonomic!
- ▶ Ideal for small to medium bird netting installations!

Bird-B-Gone manual hog ring tool makes bird netting installations a "breeze"!

Ideal for getting into tight spaces!
