

Stryker™

Insecticide Concentrate

Stryker™ is a multi-purpose concentrate insecticide that contains 6% pyrethrins and 60% piperonyl butoxide for a fast knockdown and efficient control of insect pests. Stryker™ can be mixed with other insecticides or insect growth regulators to enhance its effectiveness.

- Multi-purpose quick kill insecticide
- For use in and around residential buildings and structures
- For use on ornamentals, bushes, flowers, fruit and nut trees, shade trees, vegetables, roses, directly on animals and other livestock
- Wide area adult mosquito control
- Kills cockroaches, bed bugs, biting flies, fleas, ants, mosquitoes, silverfish, stink bugs, spiders and many other listed insects
- May be applied through mechanical aerosol or ULV generators including thermal fogging equipment
