

FIREBACK[®]

Bed Bug & Insect Spray & Jet

Fireback gives you a general spray plus a crack & crevice application straw for contact kill of ants, cockroaches, bed bugs, spiders, crickets, fleas, ticks, houseflies, mosquitoes and many other listed flying and crawling pests no matter where they are!

The attached hinged flip-up straw reaches listed pests hiding in cracks and crevices. Flip the straw back down to expose the opening for a normal spray.

- Kills on contact and provides a 3-month residual
- Use indoors and outdoors

Flip up for cracks & crevices. Flip down for regular spray.
